INCLEMENT WEATHER POLICY

Providence Christian Academy, in consultation with local school districts, makes weather related delay or closing decisions and communicates these promptly to the public. The school will utilize the following media for weather-related announcements:

- ❖ Quickschools - Email
- ❖ *Providence Christian Academy* website (www.providence-ca.org)
- ❖ WCRH – FM - 90.5 and website (www.wcrh.org)
- ❖ Operation Weather Watch – FM 95.1
- ❖ *Providence Christian Academy* Facebook Page

On days when weather conditions worsen as the day progresses, the school may decide to close early. In such cases, the office will announce the decision as early as possible. School personnel will supervise students until all have been transported from the school.

PUBLIC TRANSPORTATION

Please note the following for families utilizing public transportation:

- ❖ If a transporting district has a two-hour delay and PCA is opening on time, students utilizing public transportation in these districts will follow the two-hour delay schedule.
- ❖ If a transporting district is closed and PCA is open, students living in these districts will NOT have transportation provided in the AM and PM. If parents are able, they may provide transportation for their student(s) to and from PCA at their discretion. Under the PA Department of Education, these districts are not required to provide transportation for private schools due to weather related issues.
- ❖ If PCA is on a two-hour delay but a transporting district is opening at the normal time, then the district will follow the two-hour delay schedule for our students.

Thank you for your understanding and cooperation.
